Rideshare Program Tips and Reminders

- **Email Addresses:** The OC Rideshare team communicates almost exclusively via email, so please notify the OC Rideshare Program team if your email address changes. This is especially important for receiving alerts and critical information that may affect your commute or program participation. Email your updates to Rideshare@ocgov.com.
- **Club Rideshare Renewals:** Members are emailed an annual renewal reminder as the anniversary of their membership rolls around. Even if you are a Commuter Choice participant, you must send in your renewal form to receive the \$15 renewal incentive and continue to receive the benefits.
- **Perk Pass Bus Participants:** Payroll deductions for bus fares are always on a two-month delay. For example, your actual bus usage during February will process to your payroll in April. Bus fares may process through payroll for up to two months after cancelling from the program.
- **Submission of Forms:** Due to the time-sensitive nature of the Rideshare programs and incentives, all applications and enrollment forms should be emailed to Rideshare@ocgov.com, or faxed to 714-653-1148 instead of using the pony mail system.
