December 2016

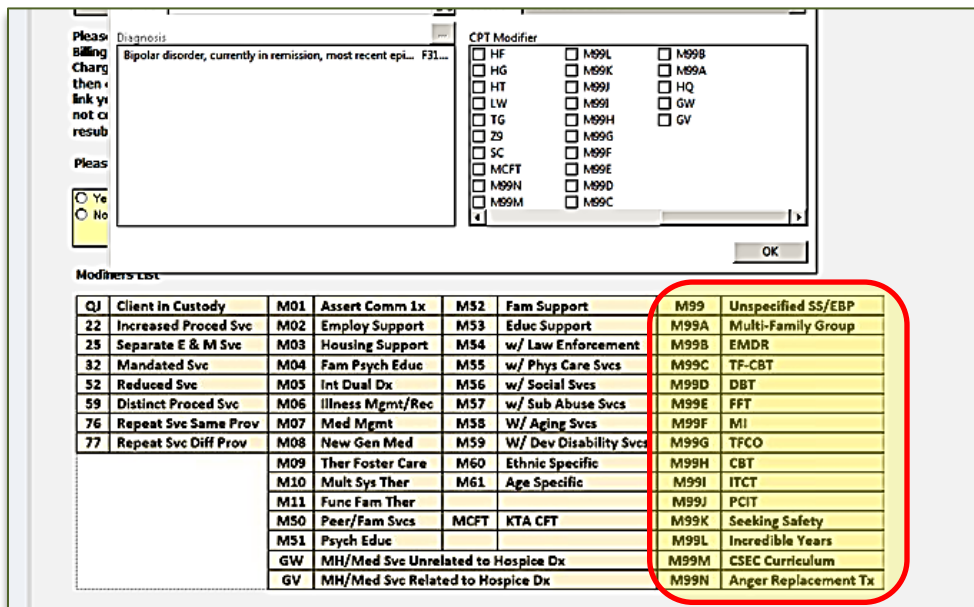

New Evidenced Based Practices modifiers

To be implemented January 1, 2017

In order to capture the new Evidence Based Practices being utilized, **12 new EBP modifiers** have been added:

For County and Contract Staff with Electronic Health Records please select the appropriate modifier.

For County staff using the EHR, these modifiers will be located in the charge details window.

QI	Client in Custody	M01	Assert Comm 1x	M52	Fam Support	M99	Unspecified SS/EBP
