The Authority and Quality Improvement CYBH Support website

The download page: <http://ohealthinfo.com/bhs/about/cys/support/downloads>

- ♦ In the past the AQIS office would have to be contacted to obtain the various forms required for distribution to Medi-Cal consumers or for display in office locations. Many of these forms are available for download and printing directly from the website.
- ♦ The download page contains links for psychiatric consents, the BHS Formulary and JV 220 forms.
- ✚ Be aware that the JV 220 form is revised as of 1/1/2018. Links to the new forms are now available.

 - <http://www.courts.ca.gov/documents/jv220a.pdf>

Two new requirements from DHCS and CYBH on the JV 220 form:

1. Item #17 – MUST INCLUDE potential long-term side effects (those occurring after 3 or more months of treatment)
 2. Item #19 – Route of Administration (i.e., oral)
- Other useful links include Medi-Cal Information for distribution to consumers, in various threshold languages including: The Advanced Health Care directives, EPSDT/TBS brochures, Advisement Checklists, Grievance Appeal Forms, and Guide to Mental Health Services, The Mental Health Provider lists, and the various HIPAA forms.
 - ✚ Pathways to Well-Being (formerly Katie A subclass) information:
