1. Work Period for Unit Members Other than Probation Managers - The official work period for County employees in this unit shall be seven days (168 regular recurring hours) which start on a Friday (12:00.01am) and end on the Thursday (12:00 midnight) thereafter, except for employees working a 9/80 work schedule for whom the beginning and end of the work period shall be the mid-point of their eight (8) hour day. However, for employees on an alternate schedule that does not meet the parameters described above, a different work period may be designated.
 2. Work Period for Probation Managers – The official work period shall be 28 days and shall begin at 12:00.01am on each Friday and end at 12 midnight four weeks later.
 3. Work Week - Administrative Management employees are not governed by the customary eighty (80) hour work period and may be expected to work more than eighty (80) hours in a given work period or allowed to work less than eighty (80) hours pursuant to the specific dictates of the assignment. The Agency/Department Head shall regulate said work periods based on the needs of the County with due regard to maintaining reasonable and equitable work periods for all employees.
- A. If any Administrative Management employee is required to work an unusually large number of hours as a result of natural disasters and/or officially declared emergencies such as floods, fires, storm conditions, high tides, etc., or due to extraordinary circumstances, the Agency/Department Head may request the County Executive Officer to authorize additional compensation for such an employee or group of employees whom the Agency/Department Head determines should receive additional compensation. The rate of such compensation shall be equal to one-eightieth (1/80) of the employee's regular biweekly pay rate for the hours in excess of eighty (80) hours in a pay period.
- B. Employees shall receive compensation at a biweekly rate within the range assigned to the class in which they are employed for each full pay period worked as determined by Article I, Section 1.A.
- C. Notwithstanding any other provisions contained herein, Administrative Management employees declared by the Chief Human Resources Officer to be exempt from the Fair Labor Standards Act shall not be docked salary for partial day absences as long as that exempt status continues to apply and as long as the Fair Labor Standards Act is applicable to the County.
- D. The parties agree to form a working group and meet by end of the November 2019 for the purpose of discussing the issue of on call pay for managers.

Section 2. General Salary Provisions

- A. The administrative management salary structure is based on classification placement on a Broadband salary schedule. The structure includes an “advertised minimum” salary rate which increases to an “advertised maximum” salary rate (the control point), and upon approval and adoption of the eligibility criteria by the Board of Supervisors, additional compensation reserved only for outstanding performance.
- B. Manager’s salaries may reach the top of the administrative management “advertised maximum” rate through annual increases provided to eligible management employees.
- C. The outstanding performance component of the Administrative Management salary ranges shall not be used for the purposes of recruiting, market adjustments or other non-performance related reasons. Under no circumstances shall the outstanding performance component of the Administrative Management salary ranges be utilized for salary adjustments outside of a Board adopted and funded performance management program.
- D. See Article XX (Compensation) for other provisions relating to managers’ compensation. Adoption of a new compensation system may alter the foregoing provisions (Section 2A.-C.) regarding employee compensation.

Section 3. Pay for New Employees

- A. The salary for new employees or newly promoted employees shall normally be at the minimum of the salary range in effect for the particular class or position in which the new employee is hired except as provided in Section 3.B. below.
- B. An Agency/Department Head may authorize that a particular position be filled at any rate within the salary range, up to the top of the advertised maximum rate of the range. In determining the salary offer, the Agency/Department Head shall consider the following:
 - 1. The market demands a greater salary offer;
 - 2. The candidate’s previous education, training, experience and employment references enable the candidate to make an immediate greater contribution to the County;
 - 3. The offer does not negatively impact the department’s budget or internal salary relationships within the Department or Countywide.

Section 4. Salary on Promotion

- A. Except as modified by Section 4.B. below, a regular, limited-term, or probationary

employee who is promoted to a position in a management class, or who is appointed to a new position within the same management class through a recruitment process, shall generally begin at the minimum advertised rate on the salary range for that class. However, employees shall not receive a decrease in salary on promotion to a management class.

- B. An Agency/Department Head may authorize that a particular position being filled by a promotion, as described in Section 4 (A) above, to be paid at any salary level up to the top of the maximum advertised rate of the salary range for the position. The Department Head shall take into consideration, when making the salary offer, the same factors as outlined in Section 3.B. above. Salary increases of 15% or greater require pre-approval from the Chief Human Resources Officer, the Deputy CEO (for non-elected departments heads), and the CEO.

Section 5. Salary on Reassignment

- A. When a regular, limited-term, or probationary employee is reassigned from one assignment to another comparable assignment within the same management class and salary range, the employee's salary shall not change. Such employee shall have the same probation status.
- B. Temporary or permanent movement from one assignment to another within the same management class and salary range shall include salary movement when the incumbent's new, full time temporary or permanent assignment changes as follows:
 1. Incumbent assumes full supervisory responsibility of management or supervision of high-level non-management staff. As determined by the Agency/Department Head, the amount of salary movement is that which maintains at least a 5.5% to 7.5% differential between the highest paid subordinate and supervisor not to exceed the maximum advertised rate of the salary range. Salary increases of 15% or greater require pre-approval from the Chief Human Resources Officer, the Deputy CEO (for non-elected department heads) and the CEO. Performance awards, including lump sum payments, may not be considered as a factor in equity or reassignment adjustments.
 2. Incumbent assumes substantial additional responsibility for an assignment that the Agency/Department Head can document is difficult to fill and/or critical to the Department's operations. The amount of salary movement shall be 5.5% and shall not exceed the maximum advertised rate for the class.
 3. Incumbent assumes substantial responsibility for an assignment that the Department Head determines that the incumbent is the recognized technical expert for a complex, clearly identifiable area. The amount of salary movement shall be 5.5% and shall not exceed the maximum advertised rate for the class.

- C. A regular, limited-term, or probationary employee moving from one assignment to another assignment while remaining in his or her current classification may receive an increase that exceeds the 5.5% maximum if:
- The new assignment's responsibilities are *significantly* greater than the prior assignment.
 - The manager has been selected for the new assignment through a competitive process.
 - The request for an increase above the 5.5% maximum has been justified in writing and received approval by the Chief Human Resources Officer prior to the appointment.

Increases shall not exceed the maximum advertised rate for the class.

- D. An Administrative Manager may only be granted one (1) salary increase (as outlined in Section 5.B. above) within a twelve (12) month period while serving in the same job assignment. However, a second salary increase may be granted within the twelve (12) month period if the additional assignment and pay are approved in writing by the applicable Agency/Department Head, the Chief Human Resources Officer and the CEO.
- E. When an employee whose salary was adjusted as a result of temporary or permanent movement from one assignment to another assignment as outlined in Section 5.B. above and the assignment ends or the employee does not perform satisfactorily in the new assignment, the incumbent's salary shall return to that which he/she would have achieved in his/her prior assignment.
- F. Movement of an employee within the same management class should include development of new performance goals for the new assignment.

Except as provided in Section 6.C., below, when a regular or limited-term employee is reduced for physical disability or other non-disciplinary reasons, the employee shall receive the highest salary in the lower salary range that does not exceed the employee's rate of pay in the higher class or the advertised market rate of the salary range. When a promotional probationary employee is reduced for physical disability or other non-disciplinary reasons, the employee shall have the salary status he or she would have achieved if the

employee had remained in the lower class throughout the period of his or her service in the higher class.

2. When a regular, limited-term, or probationary employee is reduced because the position the employee occupied is reclassified, the applicable salary shall be determined as follows:
 - a. If the salary of the employee is the same or less than the maximum advertised rate on the new salary range, the salary of the employee shall not change.
 - b. If the salary of the employee is greater than the maximum advertised rate on the new salary range, the salary of the employee shall be designated as a Y-Rate and shall not change during continuous regular service until the maximum advertised rate on the new salary range exceeds the salary of the employee or until the period of calendar time indicated in the schedule below has elapsed, whichever is sooner. If, at the end of the calendar period indicated below, the salary of the employee still exceeds the maximum advertised rate on the new salary range, the salary or rate of the employee shall be reduced to the maximum advertised rate on the salary range for the new class. The duration of the Y-Rate shall begin on the effective date of the reclassification of the position.

Y-RATE SCHEDULE

<u>Years of Full Time Continuous Service</u>	<u>Duration of Y-Rate</u>
Less than 5 years	Two years from the date of reclassification
5 years but less than 10 years	Three years from the date of reclassification
10 years but less than 15 years	Four years from the date of reclassification
15 years but less than 20 years	Five years from the date of reclassification
20 years but less than 25 years	Six years from the date of reclassification
25 years or more	Seven years from the date of reclassification

- C. When an employee on a Y-Rate takes a voluntary reduction, his or her Y-Rate shall be reduced by the amount of the difference between the maximum advertised

salary on the salary range of the class from which the employee is being reduced and the maximum advertised salary on the salary range of the new class.

Section 7. Salary on Reclassification

The salary of a regular, limited-term, or probationary employee whose position is reclassified shall be determined as follows:

- A. If the position is reclassified to a class with the same salary range, the salary of the employee shall be set as in Article I, Section 5., above, Salary on Reassignment.
- B. If the position is reclassified to a class with a higher salary range, the salary of the employee shall be governed by Article I, Section 4., above, Salary on Promotion, or at the discretion of the Chief Human Resources Officer, the salary of the employee shall not be changed.
- C. If the position is reclassified to a class with a lower salary range, the salary of the employee shall be governed by Article I, Section 6., above, Salary on Reduction.

Section 8. Salary on Reemployment

- A. A person who is reemployed in the same occupational series in which the person held regular status and was separated in good standing may, upon approval of the Chief Human Resources Officer, be appointed at the rate and range the person occupied at the time of separation unless appointment is at an advanced rate pursuant to Article I, Section 3.B.

B. Retirees

- 1. A former County employee on paid County retirement may be reemployed for not more than one hundred twenty (120) working days or nine hundred sixty (960) hours, whichever is greater, in any one (1) fiscal year under the guidelines and compensation terms set forth in the Working Retiree Reemployment Policy, as adopted by the Board of Supervisors.

Section 9. Change in Salary Allocation

If a class is reassigned to a higher salary range, the Board, or where appropriate, the Agency/Department Head, shall determine the amount of increase, if any, each employee in the class shall receive, not to exceed a fifteen (15) percent increase.

Section 10. Additional Compensation

Notwithstanding anything in this Memorandum of Understanding to the contrary, when in the judgment of the Board it becomes necessary or desirable to utilize the services of County employees in capacities other than those for which they are regularly employed, the Board may authorize an additional rate of compensation for such employees.

Section 11. Election Work

In addition to any other position or positions that are held, an employee may also voluntarily work in a capacity authorized for the Registrar of Voters in the course of an election provided that such election work does not unduly interfere with the employee's regular assignment. Election work shall be compensated at the rate authorized for such work.

Section 12. Premium Pay

A. Night Shift Differential

1. An employee who works an assigned night shift shall, in addition to his or her regular salary, be paid a night shift differential for each hour actually worked on the assigned night shift.
2. For purposes of this Section, night shift shall mean an assigned work shift of seven (7) consecutive hours or more, which includes at least four (4) hours of work between the hours of 4 p.m. and 8 a.m.
3. The rate of night shift differential shall be five (5) percent of one-eightieth (1/80) of the biweekly rate.

1. An employee who has less than 750 hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out 60 hours of Annual Leave; an additional 60 hours may be requested, with its payout at the discretion of the Department Head.
 2. An employee who has 750 or more hours of Annual Leave as of the implementation date of this MOU shall be allowed to cash out up to 120 hours of Annual Leave upon his/her request until such time as his/her accumulation is less than 750 hours, at which point cash-out procedures will be governed by Section 3.A.1, above.

3. Notwithstanding subsections 1 and 2 above, an employee may not cash out Annual Leave during the same fiscal year that Vacation Leave is cashed out (See Art. IV, Section 2.K).
- B. An employee separating from County service shall be paid in a lump sum payment for the unused annual leave balance as provided below. Notwithstanding the above, any annual leave taken off during the final two (2) pay periods of employment with the County will be deducted from the annual leave payoff provisions set forth above. This provision shall not apply to the use of family leave, pregnancy leave, workers compensation leave, or other statutorily protected leave during the final two (2) pay periods of employment.

<u>Years of Service</u>	<u>Maximum Payoff</u>
Less than 3 years	240 hours maximum paid at 100%
3 but less than 10	360 hours maximum paid at 100%
10 or more years	A maximum of 1600 hours of the accrued annual leave balance has cash value. 480 hours are paid at 100%; remaining balance obtains cash value of 2% for each year of service, to a maximum of 50% i.e., 10 years of service equals 20% cash value for remaining balance; 25 or more years of service equals 50% of the remaining balance after deducted from 1600 hours maximum.

Accrued vacation will be paid at 100% up to the accrual limits specified in Article IV, Section 1.F; remaining hours, up to the accrual limits specified in Article IV, Section 1.F, will be paid from the annual leave accrual. (Accrued vacation that is taken as time-off for purposes of retirement (See Article IV, Section 2.J), will be considered as a payoff for purposes of this provision.) Employees with 10 or more years of service will be eligible to receive pro-rated payouts at the time of separation in the percentages referenced above for all accrued annual leave hours remaining after the 100% payout, up to 1600 hours. For example, an employee with 18 years of service has 320 hours of accrued vacation and 580 hours of accrued annual leave at the time of separation of service. The employee would be entitled to 480 hours of full pay (320 hours of vacation and 160 hours of annual leave) plus 420 hours of pay (580 – 160) at 36% (18 years x 2%).

- C. Years of service as used herein shall be the equivalent of full-time continuous service hours in a regular position. Partial years of service shall be prorated.

This provision shall not apply to the use of family leave, workers compensation leave, or other statutorily protected leave during the final two (2) pay periods of employment.

However, an effort will be made to grant such time off as soon as it is feasible to do so.
3. When an employee grievance/appeal representative must go into another section or unit to investigate a grievance/appeal, the employee representative shall be permitted to do so provided that:

Section 7. Grievance/Appeal Steps

Step 1: Agency/Department Head

An employee may formally submit a grievance to the Agency/Department Head within fourteen (14) calendar days from the occurrence which gives rise to the problem. Such submission shall be in writing and shall state the nature of the grievance and suggested solution. Within seven (7) calendar days after the receipt of the written grievance, the Agency/Department Head or his or her representative(s) shall meet with the grievant. Within seven (7) calendar days thereafter, a written decision shall be given to the grievant.

Step 2: Chief Human Resources Officer

If the grievance/appeal is not settled under Step 1 and it concerns:

- a) an interpretation or an application of this Memorandum of Understanding;

- b) a written reprimand; or

it may be appealed in writing to the Chief Human Resources Officer within seven (7) calendar days after receipt of the written decision from Step 1. Appeal of a suspension and/or a reduction ordered by an Agency/Department Head or his or her designated representative may be submitted in writing at Step 2 within ten (10) calendar days after receipt of the notice of suspension and/or reduction. Within fourteen (14) calendar days after receipt of the written grievance/appeal, the Chief Human Resources Officer or his or her representative shall meet with the grievant/appellant. Within fourteen (14) calendar days thereafter, a written decision shall be given to the grievant/appellant. The decision of the Chief Human Resources Officer in B., above shall be final and binding and shall not be referable to higher County authority or arbitration.

Section 8. Referrals to Arbitration

A. Interpretation/Application of MOU Language

As soon as practicable thereafter, or as otherwise agreed to by the parties, an arbitrator shall hear the grievance.

The parties shall either sign a joint issue submission statement or else execute and sign separate alternative issue statements after discussing the issue(s). In either case, the parties shall send copies of their joint or separate submission statement(s) to each other within fourteen (14) calendar days before the first scheduled date of the arbitration hearing.

B. Appeals of Suspensions/Reductions

- c. All appeals shall be signed by an employee or by a representative of OCMA and shall be submitted in writing.
- d. The issue in all appeals of suspensions/reductions shall be:

Was (employee's name) suspended/reduced for reasonable cause? If not, what is the remedy?

2. Findings of Facts and Remedies

An arbitrator may sustain, rescind, or modify an appealed disciplinary action as follows and subject to the following restrictions:

- a. If the arbitrator finds that the suspension/reduction was taken for reasonable cause, he or she shall sustain the action.

- b. If so, what is the appropriate remedy under Article X Section 8.A of this Memorandum of Understanding?

2. Findings of Facts and Remedies

- a. In the event the arbitrator finds no unlawful discrimination, the grievance shall be denied and the issue of remedy becomes moot.
- b. In the event the arbitrator finds unlawful discrimination, but also finds such violation was not a substantial cause of the employee's probationary release, the grievance shall be denied and the issue of remedy becomes moot.
- c. In the event the arbitrator finds unlawful discrimination, and also finds that the discrimination was a substantial cause of the probationary release of the employee, the arbitrator's award shall depend upon the significance of the violation and shall be in keeping with the following alternatives:
 - 1) The probationary release may be sustained.
 - 2) The employee may be reinstated in a position in his or her former class subject to forfeiture of pay and fringe benefits for all or a portion of the period of time the employee was removed from duty. The employee may be required to serve the remainder of any outstanding probation period.

- d. The decision of the arbitrator in matters of probationary releases alleging discrimination shall be binding on all parties.

E. General Provisions

1. The cost of an arbitrator shall be shared equally in all cases by the County and the appealing party except in matters of discharge and when the appealing party solely alleges unlawful discrimination, in which case the County shall bear the full cost. When the grievance involves both discrimination and other arbitral issues, the proper division of costs shall be determined by the arbitrator.
2. Grievance/Appeal hearings by an arbitrator shall be private.
3. The arbitrator shall be selected by the mutual agreement of the parties. If the parties cannot agree upon an arbitrator, a list of seven (7) arbitrators shall be obtained from the California State Mediation and Conciliation Service, the American Arbitration Association or some other agreed upon source, and each party shall alternately strike one (1) name from the list until only one (1) name remains.
4. Upon written request by the opposing party in a pending hearing given at least twenty (20) calendar days prior to the scheduled hearing date, the party requested shall supply to the party submitting the request copies of all documentary evidence to be used by that party at the hearing. Such evidence shall be provided no later than ten (10) calendar days prior to the scheduled hearing date. Any evidence not so provided may not be admitted or offered as evidence at the subsequent hearing except that any such documentary evidence discovered by a party after such a request for copies but not soon enough to comply with the above time limits may be admitted providing it could not have been discovered sooner by reasonable means and provided further that a copy or copies of such evidence be afforded the requesting party as soon as practicable after such discovery. Nothing contained herein shall operate to prevent either party from presenting additional documents by way of rebuttal.
5. An employee shall not suffer loss of pay for time spent as a witness at an arbitration hearing held pursuant to this procedure. The number of witnesses requested to attend, and their scheduling, shall be reasonable.
6. At the hearing, both the appealing employee and the County shall have the right to be heard and to present evidence. The following rules shall apply:
 - a. Oral evidence shall be taken only on oath or affirmation.
 - b. Each party shall have these rights: to call and examine witnesses, to introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though that matter was not covered in the direct examination, to impeach any witness regardless of which party first called the witness to testify, and to rebut the evidence against the

witness. If the employee does not testify in his or her own behalf, the employee may be called and examined as if under cross-examination.

7. The hearing need not be conducted according to technical rules relating to evidence and witnesses. Any relevant evidence shall be admitted if it is the sort of evidence on which responsible persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might have made improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining any direct evidence but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege shall be effective to the same extent that they are now or hereafter may be recognized in civil actions, and irrelevant and unduly repetitious evidence shall be excluded.
8. The County shall be allowed to have one (1) employee, who may be called upon to testify as a witness, present at the arbitration hearing at all times.
9. The parties agree to forego the use of briefs and transcripts whenever practicable.
10. The decision of the arbitrator shall be binding on both parties except in matters of discharge. In matters of discharge the arbitrator's decision shall be advisory and non-binding.

Section 9. Court Action

Prior to filing such action the employee must exhaust the steps of the grievance procedure set forth in Sections 6. and 7. of this Article. The employee may then elect to appeal the discharge to advisory arbitration or file a lawsuit. In any such action, the employee shall have the right to pursue any claims he/she might have under statutory or common law, and shall not be limited to an action for breach of contract. The County agrees that it will not assert that the employee failed to exhaust his/her contractual remedies. If an employee elects to file suit, the action shall be subject to the applicable statute of limitations.

3. Upon paid County retirement, if eligible, a retiree shall receive a Retiree Medical Grant (Grant). The Grant may be applied only towards the cost of retiree and dependent coverage in a County-offered health insurance plan and/or Medicare premiums as provided below.
 - a. Upon implementation of the Plan, for eligible retirees the Grant shall be an amount based on ten (10) dollars per month for each full year of credited service in an Eligible Classification up to a maximum of twenty-five (25) years. In each fiscal year, the amount of such Grant shall be adjusted by the average percentage increase or decrease in County health plan premiums no later than the effective dates of such change, not to exceed three (3) percent per year. In no case shall the Grant exceed the actual cost of the health insurance and/or Medicare premiums.
 - b. The Grant will be adjusted as follows:
 - 1) The Grant will be reduced by seven and one-half percent (7½%) per year for each year of age the employee is less than age 60, based upon the employee’s age on the date when the employee takes active retirement from OCERS. For the purpose of deferred

retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date.

- 2) The Grant will be increased by seven and one-half percent (7½%) per year for each year of age the employee is greater than age 60, based upon the employee's age on the date when the employee takes active retirement from OCERS. For the purposes of the Grant increase, no years of age after age 70 will be considered. For the purpose of deferred retirement, the date on which the deferred retiree takes active retirement from OCERS will be deemed the retirement date.
 - 3) Sections 5.A.2.b.1 and 5.A.2.b.2 shall not apply to Safety Classifications or Disability Retirements.
 - 4) The Grant for all eligible retirees (including retirees on disability) and surviving dependents will be reduced by fifty percent (50%) the first day of the month the retiree or surviving dependent becomes eligible for both Medicare Part A (without paying a premium) and Medicare Part B or immediately, if the retiring employee is eligible for Medicare Part A (without paying a premium) and Medicare Part B, as of the date of retirement. This provision does not apply to a retiree or surviving dependent eligible for the Grant who has attained age 65 on or prior to September 26, 2006 and is eligible for both Medicare Part A (without paying a premium) and Medicare Part B.
- c. All current employees who retire and become eligible for a Grant shall be provided a one (1) time opportunity of thirty (30) days to enroll in a County offered health plan from the date they retire. Should a retiree fail to enroll during the aforementioned thirty (30) day period or should he or she terminate coverage or fail to make necessary payments, the retiree and dependents shall forfeit any right to a Grant, if eligible and enrollment in a County offered health plan.

B. Retiree Medical Plan Lump Sum; Termination; Phase Out

1. An employee who was employed by the County prior to June 23, 2006 and who separates from County service prior to meeting the eligibility requirements for the Grant shall receive a lump sum (Lump Sum benefit) cash payment in accordance with B.2. below. The Plan Lump Sum benefit is terminated for all new County employees hired on or after June 23, 2006.
2. An employee who is employed by the County prior to June 23, 2006, who thereafter separates from the County and who does not qualify for a Grant shall receive a Lump Sum benefit equal to one percent (1%) of his or her final average hourly compensation multiplied by his or her qualified hours of service after August 1, 1993 and prior to June 23, 2006. The final average hourly

compensation shall be calculated on base salary over the six thousand two hundred forty (6240) regularly paid hours immediately proceeding June 23, 2006.

3. Receipt of the Grant shall permanently revoke any claim to a Lump Sum benefit even if the retiree subsequently terminates participation in a County-offered health plan and/or Grant. Receipt of the Lump Sum benefit shall permanently revoke any claim to the Grant.

C. Eligibility Requirements for Retiree Medical Grant

1. Retiree must be actively retired from the County of Orange and receiving a monthly retirement allowance from the Orange County Employees Retirement System (OCERS).
2. Retiree must have retired with at least ten (10) years of credited County service except as provided in C.2.a., b., c., and d. below:
 - a. A retiree who receives a service-connected disability retirement pension under OCERS shall be eligible for a Grant equal to either ten (10) years of service or actual years of credited County service, whichever is greater.
 - b. A retiree with a minimum of five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall be eligible for a Grant based on actual years of credited County service. An employee with less than five (5) years of credited County service who receives a non-service connected disability retirement pension under OCERS shall not be eligible for a Grant.
 - c. A separated employee who has less than ten (10) years of credited County service or is under normal retirement age and requested a service or non-service connected disability retirement pension under OCERS shall not be eligible to receive either the Retiree Medical Grant or the Lump Sum benefit until a determination of disability status is made by the Orange County Board of Retirement.
 - d. A separated employee who receives a Lump Sum benefit pursuant to this Section shall be ineligible for the Grant if, at a later date, the Board of Retirement grants a disability retirement.
3. All eligible retirees and enrolled dependents that are age sixty-five (65) or older must be enrolled in Medicare Part B in order to be eligible for the Grant. All eligible retirees and dependents that are entitled to Medicare Part A coverage without a premium must be enrolled in Medicare Part A to be eligible to receive the Grant.
4. Deferred Retirement

- a. An employee who, upon separation from County service, is eligible for paid retirement and elects deferred retirement must defer participation in the Grant until such time as he or she becomes an active retiree.
 - b. An employee who is not eligible for paid retirement at the time he or she separates from County service shall not become eligible for participation in the Grant.
5. For purposes of this Section, a full year of credited service shall be based upon those regular hours the employee worked for the County as a regular, limited-term, and/or probationary employee. Two thousand eighty (2080) regular hours, exclusive of overtime, shall equal one (1) full year of service. Hours of service performed in periods before August 1, 1993 shall be counted toward credited service only if the employee is continuously employed by the County from August 1, 1993 until his or her retirement. For this purpose a layoff will not be regarded as a break in continuous employment if the employee is reemployed by the County in an eligible classification following such layoff.

D. Survivor Benefits

1. A surviving dependent of a retiree who was eligible to receive a Retiree Medical Grant, as stated above in A through C, and who qualifies for a monthly allowance shall be eligible for fifty (50) percent of the Grant authorized for the retiree.
2. A surviving eligible retiree who qualifies for a monthly retirement allowance who was married to a retiree who was also eligible for a Grant shall receive the survivor benefit described in D.1., above, or his or her own Grant, whichever is greater. Such retiree shall not be eligible for both Grants.

Section 8. Reopener as Result of the ACA

The County may reopen negotiations on this Article and other provisions in this MOU (e.g., Optional Benefits program in Article VI, Section 3, Flexible Spending Accounts in Article VIII), for the purpose of addressing issues resulting from the implementation of the Patient Protection and Affordable Care Act (ACA), including, but not limited to, the potential impact of the Excise Tax (commonly known as the "Cadillac Tax") on high cost employer-sponsored health coverage. Federal administrative agencies have not yet issued definitive guidance regarding the Excise Tax which is expected to begin in 2018. The parties acknowledge that some of the benefits provided in the MOU may be included in the coverage to which the Excise Tax liability may apply. As a result, the issues that likely need to be addressed are: which health group plan coverages must be taken into consideration for purposes of this tax, how to calculate this tax, and what steps, if any, can be taken to avoid payment of the Excise Tax (eg., modification of benefits). Notwithstanding the above, the County may not reopen negotiations on these issues unless the issues have first been discussed as part of a Working Group.

The County will not be responsible for the payment of any Excise Tax on health coverage from unit members' enrollment in County-sponsored health plans.

Section 9. Reopener on Retiree Medical Grant

The parties may reopen negotiations on the retiree medical grant (See Section 7.A., above) during the term of this MOU.

Section 10. Insurance Working Group

The parties agree to participate in a Working Group to review insurance issues. The Union may have up to five (5) members as representatives on the working group. Other bargaining groups and stakeholders will be invited to participate in the working group. Among the issues to be examined by the working group are the following:

- Plan design (e.g., benefits, wellness and other incentive programs)
- Cost containment ideas
- Impact of the ACA on County insurance plans/programs
- Communications
- The County's wellness program and
- Other issues the parties agree to discuss.

ARTICLE XV DEFINED CONTRIBUTION

Section 1. Section 457(b) Defined Contribution Plan

An employee in a regular or limited-term position may, at his or her request, participate in the County's Section 457(b) Defined Contribution Plan.

Section 2. Section 401(a) Defined Contribution Plan

Effective the first pay period after Board adoption of the 2011 – 2014 MOU, the County contribution to the 401(a) Defined Contribution Plan, as referred to in Appendix B of that MOU ("Wages", Item 3.) will be eliminated for the remaining managers in the 401 (a) Plan under the grandfathering agreement. Managers must leave their assets in the 401(a) Plan until either retirement, separation from the County of Orange, death or total and permanent disability.

Eligible employees will have 180 calendar days from that date within which to elect one time only whether to terminate for future County service their pension calculation stated in Government Code section 31676.19 (the “2.7% at 55” benefit formula) and elect instead the pension calculation stated in Government Code section 31676.01 (the “1.62% at 65” benefit formula) for future County service.

Regardless of which benefit formula was selected, the employee will make retirement contributions in accordance with the provisions of Section 3.C and D below.
 - c. In the event an eligible employee failed to make an election during the period set forth in Subsection 3.b., above, the employee was deemed to have elected the “1.62% at 65” benefit formula.
 - d. An employee who elected, or was deemed to have elected, the “1.62% at 65” benefit formula, is eligible to participate in the “DC Plan” described in Section 4 below.
 - e. After the employee made an election or was deemed to have made an election as described in Subsection 3.b and c., above, the employee is required to make retroactive contributions that would have been made from the employee’s hire or appointment date, for the appropriate election as described in this Article. County matching contributions to the DC Plan, for employees who chose the “1.62% at 65” benefit formula are not retroactive to the employee’s date of hire and are calculated from the date that the employee made an election or was deemed to have made an election of the “1.62% at 65” benefit formula.

Section 3 Retirement Contributions

- A. Members' normal and cost of living contribution rates will be established and adjusted subsequent to and in accordance with state law and actuarial recommendations adopted by the Retirement Board and the Board of Supervisors.
- B. The County will adopt employee contribution rates equal to County contributions for full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary.
- C. Employees shall pay the full member contribution for each of the benefit plans provided by the County.

D. General Members Contributions to Offset the Increased Cost of the “2.7% at 55” Benefit Formula

1. Except as provided in Section E below, the implementation of the 2.7% at 55 retirement benefit formula shall be without additional cost to the County for as long as the enhanced benefit formula is provided to employees, i.e., it will be borne entirely by the employees.

Effective with the pay period that commenced June 24, 2005, general members in this bargaining unit began making an additional contribution to the retirement system. This contribution is in addition to the normal employee contribution calculated under Section 31621.8 of the Government Code (or Section 31621 of the Government Code, if applicable), and is in addition to the employee contribution required to help provide full reserve funding of cost-of-living increases to retirees for all active members of the retirement system as recommended by the actuary. The additional employee contribution made under this paragraph is known as the “Reverse Pickup” and is designed to offset both the prospective increased costs, as well as the increased costs attributable to past service liability of providing this enhanced retirement benefit.

- a. The portion of the additional employee contribution that is attributable to past service liability shall be in accordance with and for the purposes stated in Section 31678.3(d) of the Government Code. This additional contribution shall continue beyond the expiration date of this MOU for the purpose of amortizing, over a 20 year period, the cost of the enhanced retirement benefit.
 - b. The portion of the additional employee contribution that is attributable to the prospective increased cost of the benefit shall also continue beyond the expiration date of this MOU but unlike the past service liability, does not expire at the end of the 20 year period set forth above.
2. Implementation of the foregoing changes increased employee and employer retirement contributions for general members in this bargaining unit. **Except** as provided in Section E below it is the intention of the parties that the amount of this increase will continue to be borne entirely by the general member employees, and not by the County.
 3. The County and OCMA will annually review its costs including costs impacted by changes in the investment earnings and evaluate whether any adjustments to employee contributions are necessary.

E. Reduction in Reverse Pickup

1. Effective the first day of the first full pay period following Board of Supervisors adoption of this MOU, the annual reverse pickup contribution rate for employees in the PEPR and 1.62% at 65 Classic benefit formulas will be frozen at the fiscal

year 2019-2020 rate. The reverse pickup contribution rate for employees in the 2.7% at 55 benefit formula shall continue to be calculated pursuant to Section 2 of this Article.

2. Effective the first day of the first full pay period after Board of Supervisors adoption, the County will assume responsibility for a fixed 1.2% reduction of the employee's paid reverse pickup.
3. Effective July 3, 2020, the County will assume responsibility for an additional 1.2% for a total fixed 2.4% reduction of the employee's paid reverse pickup.
4. Effective July 3, 2021, the County will assume responsibility for an additional 1.2% for a total fixed 3.6% reduction of the employee's paid reverse pickup.
5. Effective July 1, 2022, the County will assume responsibility for an additional .5% for total fixed ongoing 4.1% reduction of the employee's paid reverse pickup.
6. By July 1, 2022, the entire Reverse Pickup for employees in the PEPRA and 1.62% and 65 Classic benefit formulas shall be eliminated. It is the intent of the parties that the reverse pickup amount for Legacy employees will continue to be reduced by a fixed 4.1% from July 1, 2022 into the future.

Section 4. Defined Contribution Retirement Plan

- A. Beginning on the plan commencement date, as defined in Section 6 (A) above, the County will make available a County 1.62 Retirement, Section 457(b) Defined Contribution Plan (the "DC Plan") to those employees who are covered by the 1.62% at 65 benefit formula (whether by election, deemed to have elected or are hired on after January 1, 2013 and are deemed to be "new members" within the meaning of PEPRA). These employees will be permitted to make voluntary contributions to the DC Plan. The County will make matching contributions as described in Section 4.B., below.
- B. The County will contribute a biweekly amount to a Section 401(a) Defined Contribution Plan for an eligible employee equal to the biweekly amount that the employee contributes to the DC Plan, not to exceed two (2) percent of the employee's base salary (the "match"). In accordance with Board action on March 22, 2011, this one-year period is extended until a decision is reached regarding implementation of the "1.62 at 65" retirement formula election for current employees as described in Section 1.A.4 above. If current employees become eligible for the election, a new one-year period for the current level of match will be established, which will be one year from the plan commencement date for current employees. Should the current employees be deemed ineligible for the retirement formula election, the second year match, as described herein, shall be implemented within two (2) pay periods of the decision. County contributions to the Section 401(a) Defined Contribution Plan shall vest on behalf of the participant after that participant has been continuously employed by the County for a period of five (5) years. For this purpose, one year shall be equal to 2080 paid hours of service, exclusive of overtime.

- C. Employee contributions to the DC Plan(s) and the County contributions to the Section 401(a) Defined Contribution Plan shall be subject to contribution limits imposed by the Internal Revenue Service. In no event shall the County be required to pay any portion of the matching contributions that would cause the employee to exceed applicable Internal Revenue Service contribution limits.
- D. If the County forms a study group to review potential modifications to the County's defined contribution plan, OCMA may designate one member to participate on the study group. The study group's recommendations will be presented to the Board of Supervisors for their consideration.

Section 5. Tax-Deferred Retirement Plan

The County will administer an approved tax-deferred retirement plan which will allow employees to reduce their taxable gross income by the amount of their retirement contribution. The plan shall remain in effect subject to approval of the Internal Revenue Service.

ARTICLE XVII NONDISCRIMINATION

The County and OCMA agree that the provisions of this Memorandum of Understanding shall be applied to employees without discrimination by reasons of physical handicap, marital status, or medical condition (as defined under the Fair Employment Practices Act) or race, religion, color, sex, age, national origin, or ancestry.

OCMA shall not discriminate in membership or representation on any basis cited in this Article.

ARTICLE XVIII COUNTY RIGHTS

The County retains the exclusive right to make all managerial and administrative decisions including, but not limited to, the nature and extent of services to be performed, the methods, means and personnel by which its operations are to be conducted, and such other decisions as may be necessary to organize and operate in the most efficient manner. Such rights shall also include the right to manage and direct the workforce, including the right to hire, select, discipline, transfer, and assign work. The Assistant Director of Human Resource Services and the President of OCMA will serve as co-chairs of the committee. The purpose of the committee will be to review the current compensation and evaluation systems and recommend modifications to these systems as circumstances merit.
 - 2. Other provisions of the MOU that affect compensation and evaluation, such as Article I, Section 2, may be changed as a result of the committee's recommendations.

3. The committee will meet on an as-needed basis, and have as its goal to complete its work no later than May 31, 2020.
