

Midway City North Asphalt Remedial Repairs East of Newland Avenue

Project Summary

OC Public Works will complete remedial repairs to the existing asphalt in the unincorporated County area of Midway City. All construction activity will occur within the unincorporated area, adjacent to the City of Westminster city limits.

WHAT

Construction activity will consist of removing and replacing damaged sections of asphalt concrete pavement, "cold milling," and placement of an asphalt concrete finish surface. Please note, local traffic will be permitted at all times during construction; however, drivers may be subject to delay. Residents will receive an additional notification 48 hours in advance of construction on their street with door hangers and "no parking" signs.
